

BALTECH Scholarship for students and staff

BALTECH Scholarship offers an opportunity of financial grant for students of all study levels and staff members to participate in short-term mobilities to broaden their experience and contribute to BALTECH Consortium and its members.

BALTECH Universities are as following:

1. Riga Technical University;
2. Kaunas University of Technology;
3. Tallinn University of Technology;
4. Vilnius Gediminas Technical University.

Applicant can be any student or staff member of any of the universities listed above. The purpose of the short-term mobility can be decided by the applicant, for example, it can be used for research purposes, a conference visit, experience exchange with other university members etc.

Application

For successful application process, following documents have to be handed in to BALTECH Secretariat (electronically) or to International Relations Offices in any of the 4 BALTECH universities.

For students	For staff
Curriculum Vitae (CV)	Curriculum Vitae (CV)
Letter of motivation, explaining the purpose of the mobility	Letter of motivation, explaining the purpose of the mobility
BALTECH Scholarship application form (http://www.baltech.info/en/scholarships/)	BALTECH Scholarship application form (http://www.baltech.info/en/scholarships/)
Copies of academic transcripts	Invitation letter to an event (not mandatory)
Letter of recommendation from supervisor (not mandatory)	

Application for BALTECH Scholarships are organized 4 times per year:

Deadline	Deadline	Deadline	Deadline
March 15th	June 15th	September 15th	December 15th
Mobility period	Mobility period	Mobility period	Mobility period
April-June	July-September	October-December	January-March

The mobility periods are not limited to the deadlines, e.g., the application can be handed in until June 15th, but take place in November, for easier planning of the mobilities.

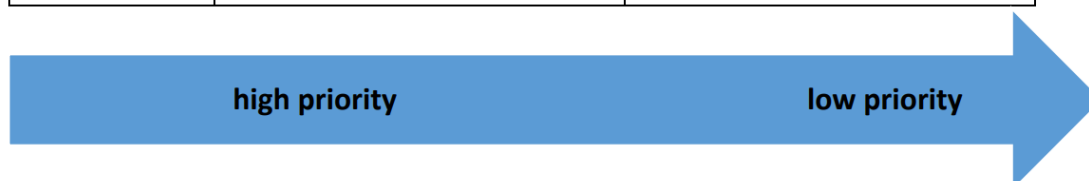

Amount of grants

BALTECH Scholarship can cover expenses for accommodation, travelling, insurance, participation fees and foreign visa proceeding (if needed). In addition, BALTECH Scholarship can also grant daily allowance, which is set to 29 EUR/day for Baltic countries (Estonia, Latvia, Lithuania). For the information for any other countries, please, contact BALTECH Executive Office.

Evaluation process

BALTECH Secretariat is responsible for the evaluation process. The final decision is made by the BALTECH Board. All decisions are made according to the prioritized values stated below.

Purpose of the visit	studies, research	practical training, teaching	conferences, symposiums	other events
Mobility destination	BALTECH universities		BALTECH countries
