

BALTECH Mobility grant for students and staff

BALTECH Mobility grant offers an opportunity of financial grant for students of all study levels and staff members to participate in short-term mobilities to broaden their experience and contribute to BALTECH Consortium and its members.

BALTECH Universities are as following:

1. Riga Technical University;
2. Kaunas University of Technology;
3. Tallinn University of Technology;
4. Vilnius Gediminas Technical University.

Applicant can be any student or staff member of any of the universities listed above. The purpose of the short-term mobility can be decided by the applicant, for example, it can be used for a research purposes, a conference visit, an experience exchange with other university members etc.

Application

For successful application process, following documents have to be handed in to BALTECH Secretariat (electronically) or to International Relations Offices in any of the four BALTECH universities.

For students	For staff
